

Admission Requirements for Students Educated in Thailand

Please note: These are minimum requirements. The university reserves the right to enforce higher requirements as needed without notice to meet the university's enrollment needs.

Freshman Applicants

Minimum High School Course Preparation

- 4 years of native language
- 3 years of mathematics (including beginning algebra, geometry and advanced algebra)
- 3 years of science (including one year each of two of the following: biology, chemistry, or physics)
- 2 years of social studies [3 years for applicants to our College of Liberal Arts and Sciences (LAS)]
- Applicants to majors in the LAS and Engineering colleges must have 2 years of a single foreign language (English may be used).

Minimum academic requirements

- Applicant must have a B- or 2.7 (out of a 4.0) cumulative grade point average in academic subjects at secondary level (Matayom 6). (If your school grades on a percentage system, 67% would be considered comparable to a B-.) The following subjects are not included in the CGPA: character development, work and occupational education, music, home economics, and physical education.
- Students who do not meet the CGPA requirement above but who rank in the top half of their high school graduating class will be given consideration upon receipt of their official rank from the school.

SAT and ACT

- Neither the SAT or ACT is not *required* for admission to Iowa State for students educated in non-American patterned high schools.

Transfer Applicants

Minimum academic requirements

A minimum cumulative grade point average of 2.75 out of a possible 4.00 in all transferable courses is required for engineering applicants; a 2.30 is the minimum for applicants to other majors.

Global Assessment Certificate: Iowa State awards transfer credit for the completed GAC program provided students meet the above GPA requirement.
