ADDITIONAL COURSES BY OPTION

Interpretation of Natural Resources Option

Fundamentals of Soil Science	AGA 154	AGRON 182	3
Principles of Interpretation*	CNS 180	NREM 330	2

**Can only be taken if completed the NAI Interpretive Grade Certification*

PRACTICAL WORK EXPERIENCE

The NREM program requires all undergraduate students to complete a practical work experience –NREM 104. This is a non-credit requirement which may be completed prior to attending ISU (but after graduation from high school). Typically, this involves 400 hours of work in a career related position. The intent is to give students a better idea of the employment opportunities and conditions in the field of natural resources. We offer placement assistance for students looking to complete this requirement. If you are planning to transfer to ISU, feel free to contact us for additional information and assistance in this area.

A total of 65 community college credits can be applied towards a bachelor's degree at Iowa State University.
