### ADDITIONAL COURSES BY OPTION (Restricted Electives)

---

#### *Interpretation of Natural Resources Option (Choose one)*

Principles of Astronomy	PHS 142	ASTRO 1200	3
Introduction to Earth Science	PHS 185	GEOL 1000	3

### PRACTICAL WORK EXPERIENCE

---

The NREM program requires all undergraduate students to complete a practical work experience –NREM 1040. This is a non-credit requirement which may be completed prior to attending ISU (but after graduation from high school). Typically, this involves 400 hours of work in a career related position. The intent is to give students a better idea of the employment opportunities and conditions in the field of natural resources. We offer placement assistance for students looking to complete this requirement. If you are planning to transfer to ISU, feel free to contact us for additional information and assistance in this area.

*A total of 65 community college credits can be applied towards a bachelor's degree at Iowa State University.*
